

Songs IN Group (SING)

Welcome circle leader duty parents! Each circle time lasts 20 minutes. During this time you will lead the group in a combination of parachute play, games, activities and songs. Reading a simple story with large pictures is also encouraged. Feel free to choose a few of the following activities or a choice of your own.

Parachute play:

- **MAKING POPCORN** - Children and parents stand in a circle holding onto parachute. Several foam balls are placed on top of parachute and the children help to make the corn pop into the air.
- **ABC VOLLEYBALL** - Children and parents stand in a circle holding onto parachute. The group then bounces the ball once for each letter in the alphabet. The group calls the letters out loud during each bounce. Try not to drop the ball. This takes practice.
- **ABC CHILDREN** - Children and parents stand in a circle holding onto parachute. The group then slowly says the ABC's. As each letter of the alphabet is called the children whose name starts with that letter runs and sits under the parachute until the alphabet is over and all the children are sitting under the parachute.
- **MERRY GO ROUND** - Children and parents hold the parachute with one hand and turn their bodies forward. They then do the actions dictated in the lyrics. To the tune of "Here we go round the mulberry bush" the group sings the words: "This is the way we walk to school, walk to school, walk to school. This is the way we walk to school so early in the morning." During this verse the children walk around in a circle holding the parachute. Then the song and actions can be Hop, Skip, Tiptoe, Dance etc.
- **GRAND OL' DUKE OF YORK** - Children and parents sing the song and do the actions of the lyrics with the parachute. (Lyrics below)
- **STORMY OCEAN** - Half of children stand on top of parachute while the other children and parents shake the parachute and make waves. Then switch so all of the children get a turn.
- **AIR CONDITIONER** - Half of children lie on ground under the parachute while the other children and the parents mushroom the parachute up and quickly pull it down again, fanning the children underneath it. Then switch so all of the children get a turn.

Circle Time Activity Handbook

- **BOUNCING TREATS** - On holiday party days, special treats can be bounced on the parachute for the children to keep. Some ideas are: Halloween treats, candy canes, chocolate hearts, Easter treats etc.
- **PING PONG NAMES** - Paper cut outs of seasonal items; leaves, pumpkins, snow flakes, hearts, shamrocks, Easter eggs, butterflies, etc. The monthly craft leader can trace out enough shapes for all of the children in their group. Then they print the children's names on them with a bold pen. Then all of the names are put on the parachute and bounced around. Once all of them have bounced off stop the parachute and let the children look around and find their names.

Games and activities:

- **HUGS** - The children run around the play area, doing whatever they feel like. When the leader shouts "Hug!" each player finds someone to hug. Then the leader says "Go!" and the players are off on their own once again.
- **MUSICAL HUGS** - This can be done to music, with the partners running when the music is being played and hugging when it stops.
- **ALPHABET BALL** - Children and parents sit in a circle. They pass a ball from person to person. As each person passes it on to the next they say a letter of the alphabet. This can also be done with the entire group saying the letters together as the ball is passed around.
- **SEWING UP THE GAPS** - Children and parents stand in a circle with their arms at their sides. One player runs into and out of the circle. Every time that person passes between two circle players, those two join hands to "sew up" the gaps. Soon the entire group will be holding hands.
- **THE MORE WE PLAY TOGETHER** - Children and parents sit facing each other in a circle. Each player places their hands on the shoulders of the neighbours on either side. Now everyone sways from side to side and sings "The more we play together" song. (lyrics below)

Circle Time Activity Handbook

- **JACK IN THE BOX** - Children and parents sit facing each other in a circle. One parent starts by saying the name of her child. As their name is spoken, that child jumps up and quickly sits down again, just like a jack-in-the-box. Then the parent next in the circle says the name of her child. This continues around the circle until all of the children have had a turn to be a jumping jack. Alternatively the circle time leader can call out the names of the children.
- **SLEEPING BUNNIES** - Children pretend to be asleep. Parents gently rub their backs while singing the song. Parents wake up their little bunnies by gently shaking or tickling them. The bunnies then hop around while the parents clap. (This is always a favourite game). (lyrics below)
- **ZOOM ZOOM** - Parents and children sit in a circle and sing the song. During the zoom zoom verses each person rubs their own hands together, right, left and right. During the next verses each person presses their own hands together and moves them in a swaying motion. When the count down begins the parents stand up. At Blast off, Parents scoop their child up and lift them high in the air. (lyrics below)
- **GRAND OL' DUKE OF YORK** - Children sit on their parents' knees. As the song is sung, Parents lift their knees up and down and left and right, as the lyrics dictate. At the end of the song parents pretend to tip them off their knees to one side. (lyrics below)
- **HAPPY BIRTHDAY ANIMALS** - Divide the children into 4 groups. Name them Dogs, Cats, Horses or Pigs etc. They have to pretend to be the animals as you sing Happy Birthday to you. When it comes to "Happy birthday dear Dogs" for example all of the dogs bark as loud as they can. Finish the game by singing "Happy birthday everyone" when all of the children make their animal noises together.
- **CLAP MY NAME** - Children and parents sit in a circle facing the middle. Circle leader, or parents can ask each child their name, going around the circle. When the child says her name, you then clap the syllables and then get all the children to copy it. So, for example, if the child's name was Madeline, you'd clap three times as you said "Ma – de – line."
- **WHO CAN BUILD A TOWER?** - Children and parents sit in a circle facing the middle. Each child is given a cardboard or duplo block. Start the game by putting a block in the centre of the circle. Going around the circle, each child in turn adds a block to help to build the tower until it topples. The next child in the circle starts off the new tower. Build the excitement by counting out loud, and give a big clap to each toddler who attempts to place a block on the tower.

Circle Time Activity Handbook

- BUBBLES - Circle leader sits on the floor and blows bubbles for the children to play with.
- LITTLE AIRPLANES – Sung to the tune of: I'm a little teapot

I'm a little airplane,

(children raise arms at sides to shoulder height.)

Now watch me fly!

(They spin one of their arms in front of them as if it were a propeller)

Here are my instruments

From down low to up high.

(With their other arm, they reach from the ground to above their heads.)

First I get revved up.

(Children make engine noises while still spinning their arms.)

Then I can fly,

(Children raise arms to shoulder height.)

Lifting off the runway

(They start walking forward.)

Up into the sky!

(They go up on their tiptoes and continue to move forward. Let them circle awhile before returning to their original positions.)

- STAND UP AND SAY HOO - RAY! – Tune: Muffin man

If you're wearing red today,

Red today, red today,

If you're wearing red today,

Stand up and say "Hoo-ray!"

Continue with blue, pants, stripes, skirts etc, until all of the children are standing up.

Songs:

Grand ol' Duke of York

The grand ol' Duke of York
He had ten thousand men,
He marched them up to the top of the hill
And he marched them down again.

When they were up, they were up
When they were down, they were down,
When they were only halfway up,
They were neither up nor down.

He marched them to the right,
He marched them to the left,
He marched them all around the town
And he marched them out of sight.

Sleeping Bunnies

See the bunnies sleeping,
Till it's nearly noon,
Come let us wake them
With a merry tune.

Oh so still, are they ill?
Wake up little bunnies,
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
All day long.

The muffin man, the muffin man?
Do you know the muffin man
Who lives on drury lane?

Yes I know the muffin man
The muffin man, the muffin man.
Yes I know the muffin man
Who lives on drury lane.

We all know the muffin man
The muffin man, the muffin man.
We all know the muffin man
Who lives on drury lane.

The more we play together

The more we play together
Together, together,
The more we play together
The happier we'll be,
Cause your friends are my friends
And my friends are your friends,
The more we play together the happier we'll
be.

Rig A Jig Jig

As I was walking
Down the street,
Down the street,
Down the street,
A very good friend
I chanced to meet;
Hi Ho, Hi Ho, Hi Ho.

Rig a jig jig and away we go,
Away we go, away we go;
Rig a jig jig and away we go,
Hi Ho, Hi Ho, Hi Ho.

We clapped our hands
And stomped our feet,
Stomped our feet,
Stomped our feet,
We clapped our hands
And stomped our feet,
Hi Ho, Hi Ho, Hi Ho.

We jumped up high
And came back down,
Came back down,
Came back down,
We jumped up high
And came back down,
Hi Ho, Hi Ho, Hi Ho.

Rig a jig jig and away we go,
Away we go, away we go;
Rig a jig jig and away we go,
Hi Ho, Hi Ho, Hi Ho.

We climbed on a train
And tooted the horn,
Tooted the horn,
Tooted the horn,
We climbed on a train
And tooted the horn,
Hi Ho, Hi Ho, Hi Ho.

Kissed my ma
And hugged my pa,
Hugged my pa,
Hugged my pa,
Kissed my ma
And hugged my pa,
Hi Ho, Hi Ho, Hi Ho.

Rig a jig jig and away we go,
Away we go, away we go;

Rig a jig jig and away we go,
Hi Ho, Hi Ho, Hi Ho.

A Hunting We Will Go

A hunting we will go, a hunting we will go
Heigh ho, the dairy-o, a hunting we will go
We'll catch a little fox and put him in a box
And then we'll let him go

A hunting we will go, a hunting we will go
Heigh ho, the dairy-o, a hunting we will go
We'll catch a little fish and put him on a dish
And then we'll let him go

A hunting we will go, a hunting we will go
Heigh ho, the dairy-o, a hunting we will go
We'll catch a little bear and cut his hair
And then we'll let him go

A hunting we will go, a hunting we will go
Heigh ho, the dairy-o, a hunting we will go
We'll catch a Little pig and dance a little jig
And then we'll let him go

A hunting we will go, a hunting we will go
Heigh ho, the dairy-o, a hunting we will go
We'll catch a little giraffe and make him
laugh
And then we'll let him go

Wheels on the Bus

(Tune: Wheels on the bus)

The wheels on the bus go round and round
Round and round, round and round
The wheels on the bus go round and round
All through the town.

The wipers on the bus go "Swish, swish,
swish,
The door on the bus goes open and shut

The horn on the bus goes "Beep, beep, beep"
The gas on the bus goes "Glug, glug, glug"
The baby on the bus says, "Wah, wah, wah!"
The people on the bus say, "Shh, shh, shh,"
The mommy on the bus says, "I love you,
The daddy on the bus says, "I love you, too"
All through the town.

Can You Be a Sunbeam?

Words and Music By: Terry Kluytmans

Copyright © 2000 Terry Kluytmans

Can you be a sunbeam,
A sunbeam, a sunbeam?
Can you be a sunbeam?
Then show me what you'd do.

I can be a sunbeam,
A sunbeam, a sunbeam,
I can be a sunbeam,
And I'll shine down on you!
(Hands clasped together, arms high,
make a large circle like the sun.)

Can you be a raindrop,
A raindrop, a raindrop?
Can you be a raindrop?
Then show me what you'd do.

I can be a raindrop,
A raindrop, a raindrop.
I can be a raindrop,
So here's some rain for you!
(Arms in the air, fingers floating down like
rain)

Can you be a flower,
A flower, a flower?
Can you be a flower?
Then show me what you'd do.

I can be a flower,
A flower, a flower.
I can be a flower,
Growing just for you!
(Children in kneeling position,
slowly 'growing' to stand big and tall)

Can you be a buzzing bee,
A buzzing bee, a buzzing bee?
Can you be a buzzing bee?
Then show me what you'd do.

I can be a buzzing bee,
A buzzing bee, a buzzing bee.
I can be a buzzing bee,
With honey sweet for you!
('Buzz' around like a bee)

(While this song centers around
nature, you could try a 'farm animals'
or a 'zoo' theme!)

Hurry, Hurry, Drive the Fire Truck

Hurry, hurry, drive the fire truck
(Hands on steering wheel)
Hurry, hurry, drive the fire truck
Hurry, hurry, drive the fire truck
Ding, ding, ding, ding, ding!

Hurry, hurry, turn the corner

If All the Raindrops

If all the raindrops
Were lemon drops and gumdrops
Oh, what a rain that would be!
Standing outside, with my mouth open wide
Ah, ah, ah, ah, ah, ah, ah, ah, ah, ah
If all the raindrops
Were lemon drops and gumdrops
Oh, what a rain that would be!

If all the snowflakes
Were candy bars and milkshakes
Oh, what a snow that would be!
Standing outside, with my mouth open wide
Ah, ah, ah, ah, ah, ah, ah, ah, ah, ah
If all the snowflakes
Were candy bars and milkshakes
Oh, what a snow that would be!

If all the sunbeams
Were bubblegum and ice cream
Oh, what a sun that would be!
Standing outside, with my mouth open wide
Ah, ah, ah, ah, ah, ah, ah, ah, ah, ah
If all the sunbeams
Were bubblegum and ice cream

Oh, what a sun that would be!

If You're Happy and You Know It

If you're happy and you know it,
Clap your hands
If you're happy and you know it,
Clap your hands
If you're happy and you know it,
Then your face will surely show it
If you're happy and you know it,
Clap your hands.

I'm a Little Teapot

I'm a little teapot, short and stout
Here is my handle here is my spout
When I get all steamed up, hear me shout
Just tip me over and pour me out!

I'm a clever teapot, yes it's true
Here's an example of what I can do
I can change my handle to my spout
[switch arm positions and repeat tipping motion]
Just tip me over and pour me out

It's a Small World

It's a world of laughter
A world of tears
It's a world of hopes
And a world of fears
There's so much that we share
That it's time we're aware
It's a small world after all

There is just one moon

And one golden sun
And a smile means
Friendship to ev'ryone
Though the mountains divide
And the oceans are wide
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

I've Been Working on the Railroad

I've been workin' on the railroad,
All the live long day.
I've been workin' on the railroad,
Just to pass the time away.
Don't you hear the whistle blowing?
Rise up so early in the morn.
Don't you hear the captain shouting
"Dinah, blow your horn?"

Dinah, won't you blow,
Dinah, won't you blow,
Dinah, won't you blow your horn?
Dinah, won't you blow,
Dinah, won't you blow,
Dinah, won't you blow your horn?

Someone's in the kitchen with Dinah.
Someone's in the kitchen, I know.
Someone's in the kitchen with Dinah
Strumming on the old banjo.

Fee, fie, fiddle-e-i-o.
Fee, fie, fiddle-e-i-o-o-o-o.
Fee, fie, fiddle-e-i-o.
Strumming on the old banjo.

Mary Had a Little Lamb

Mary had a little lamb,
Little lamb, little lamb,

Mary had a little lamb,
Its fleece was white as snow

And everywhere that Mary went,
Mary went, Mary went,
Everywhere that Mary went
The lamb was sure to go

It followed her to school one day
School one day, school one day
It followed her to school one day
Which was against the rules.

It made the children laugh and play,
Laugh and play, laugh and play,
It made the children laugh and play
To see a lamb at school

And so the teacher turned it out,
Turned it out, turned it out,
And so the teacher turned it out,
But still it lingered near

And waited patiently about,
Patiently about, patiently about,
And waited patiently about
Till Mary did appear

"Why does the lamb love Mary so?"
Love Mary so? Love Mary so?
"Why does the lamb love Mary so?"
The eager children cry

"Why, Mary loves the lamb, you know."
Lamb you know,
"Why, Mary loves the lamb, you know."
The teacher did reply

On Top of Spaghetti

On top of Spaghetti,

Circle Time Activity Handbook

all covered with cheese,
I lost my poor meatball
when somebody sneezed.

It rolled off the table
and onto the floor,
And then my poor meatball
rolled out of the door.

It rolled down the garden
and under a bush,
And then my poor meatball
was nothing but mush!

The mush was as tasty
as tasty could be,
And then the next summer
it grew into a tree.

The tree was all covered
all covered with moss,
And on it grew meatballs
all covered with sauce.

So if you have spaghetti
all covered with cheese,
Hold onto your meatball
'cause someone might sneeze.

Six Little Ducks

(Tune: Six little ducks)

Six little ducks
That I once knew
Fat ones, skinny ones,
Fair ones, too
But the one little duck
With the feather on his back
He led the others
With a quack, quack, quack

Quack, quack, quack,
Quack, quack, quack
He led the others
With a quack, quack, quack

Down to the river
They would go
Wibble, wobble, wibble, wobble,
To and fro
But the one little duck
With the feather on his back
He led the others
With a quack, quack, quack

Quack, quack, quack,
Quack, quack, quack
He led the others
With a quack, quack, quack

Back from the river
They would come
Wibble, wobble, wibble, wobble,
Ho, hum, hum
But the one little duck
With the feather on his back
He led the others
With a quack, quack, quack

Quack, quack, quack,
Quack, quack, quack
He led the others
With a quack, quack, quack

Six Little Dogs

He led the others with a grr, grr, GRR!

Three Little Fishies

Down in the meadow in a little bitty pool
Swam three little fishies and a mama fishie
too
"Swim" said the mama fishie, "Swim if you
can"
And they swam and they swam all over the
dam
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
And they swam and they swam all over the
dam

"Stop" said the mama fishie, "or you will get
lost"
The three little fishies didn't wanna be
bossed
The three little fishies went off on a spree
And they swam and they swam right out to
the sea
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
And they swam and they swam right out to
the sea

"Whee!" yelled the little fishies, "Here's a
lot of fun
We'll swim in the sea till the day is done"
They swam and they swam, and it was a lark
Till all of a sudden they saw a shark!
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
Till all of a sudden they saw a shark!

"Help!" cried the little fishies, "Gee! look at
all the whales!"
And quick as they could, they turned on
their tails
And back to the pool in the meadow they
swam
And they swam and they swam back over
the dam
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
Boop boop dit-tem dat-tem what-tem Chu!
And they swam and they swam back over

There was a little turtle,

His name was tiny tim.

I put him in the bathtub to see if he could swim.

He drank up all the water,

He ate up all the soap,

And now he is in the bathtub,

With a bubble in his throat.

Bubble, bubble, bubble,

Bubble, bubble, bubble,

Bubble, bubble, bubble,

Bubble, bubble, pop!

Will You be my Valentine?

(Tune: [The Muffin Man](#))

Oh, will you be my valentine?

My valentine? My valentine?

Oh, will you be my valentine?

And love me every day?

Oh, yes, I'll be your valentine,

Your valentine, your valentine.

Oh, yes, I'll be your valentine,

And love you every day.

Head and Shoulders

Head and shoulders, knees and toes,

Knees and toes, knees and toes

Head and shoulders, knees and toes

Eyes, ears, mouth, and nose!

This is the Way the Lady Rides

(bounce child on lap, tune of 'Here We Go Round the Mulberry Bush')

This is the way the ladies ride, the ladies ride, the ladies ride.

This is the way the ladies ride, so early in the morning!

(bounce a little higher)

This is the way the gentlemen ride, the gentlemen ride, the gentlemen ride.

This is the way the gentlemen ride, so early in the morning!

(now bounce all over the place!)

This is the way the cowboys ride, the cowboys ride, the cowboys ride.

This is the way the cowboys ride so early in the morning! YEEE HAW!!!

Ring Around the Rosy

Ring around the rosy,
A pocket full of posies
Husha husha we all fall down!
Cows are in the meadow, eating buttercups
Husha husha we all stand up!

Ring around the rosy,
A pocket full of posies
Husha husha we all fall down!
Fishies in the ocean, fishies in the sea
We all jump up, 1 2 3!

Moo moo brown cow, have you milk for me?
Yes sir, yes sir, as tasty as can be!
Churn it into butter, make it into cheese,
Freeze it into ice cream, anything you please.
Moo moo brown cow, have you milk for me?
Yes sir, yes sir, as tasty as can be!

ABC

ABCDEFGHIJKLMN OPQRSTUVWXYZ

Now I know my ABC's, next time won't
you count with me!

1 2 3 4 5 6 7 8 9 10 and then 11

Cats and dogs and baby sheep,
When I count I go to sleep!

Baa Baa Black Sheep

Baa baa black sheep, have you any wool?
Yes sir, yes sir, three bags full
One for my master and one for my dame
One for the boy and girl who live down the lane
Baa baa black sheep, have you any wool?
Yes sir, yes sir, three bags full.

Cluck cluck red hen, have you any eggs?
Yes sir, yes sir, as many as my legs
One for your breakfast and one for your lunch
Come back tomorrow and I'll have another bunch
Cluck cluck red hen, have you any eggs?
Yes sir, yes sir, as many as my legs.
